God how beautiful Your Holy Word
That formed the worlds in such goodness
O the shame that we would spurn it all
To turn and fall into darkness

God we'll sing how through Your Son You turned
This loss and hurt into glory
How when scorned in death You raised Him up
His gain's become the whole world's story

Let all things rise and bless Your name
All things made right and new again

Is free and boundless
Is reaching endless through it all

Your faithfulness is our portion
You've prepared a city bright and fair
Whose gates forever stay open

The stunning turn of new creation
