General

1. The Soaking Prayer by Appt ministry is intended for serious or long-term concerns which appropriately require intense, focused prayer. Less urgent prayer needs should be addressed in your small group and/or in after-service prayer.
2. VCDC attenders will be given scheduling priority over non-attenders (irrespective of date of submission of application).
3. Soaking Prayer by Appointment is generally offered only to individuals active in a small group. If you feel your circumstances warrant an exception, attach a separate sheet with an explanation.
4. Individuals waiting to be assigned to a prayer team, as well as non-attenders and those who are not active in a VCDC small group, are encouraged to seek prayer as generally offered after weekend services.
